

WORKSHOP **on GEOMETRY** **and its Applications**

19-20 December 2018
Ort Braude College, Karmiel

We are pleased to invite geometers, applied mathematicians and practitioners in the fields of Imaging and Graphics community to participate in the Workshop on Geometry and its Applications, which will be held at ORT Braude College, Karmiel on December 19-20, 2018. The goal of this workshop is to bring together researchers whose interests cover multifaceted and dynamic aspects of geometry, both pure and applied. It will provide a venue for faculties and young scientists to know other members of the community, having different specialities, and to promote discussions and collaborations.
