A special type of university

- 15 of the 16 states in the Fed. Rep. of Germany have integrated Educational into larger general universities
- In the state of Baden-Württemberg there are 6 special Universities of Education (together 23.000 students)
- Study programmes and research are centred around the fields of education (esp. teaching) and cultural subjects

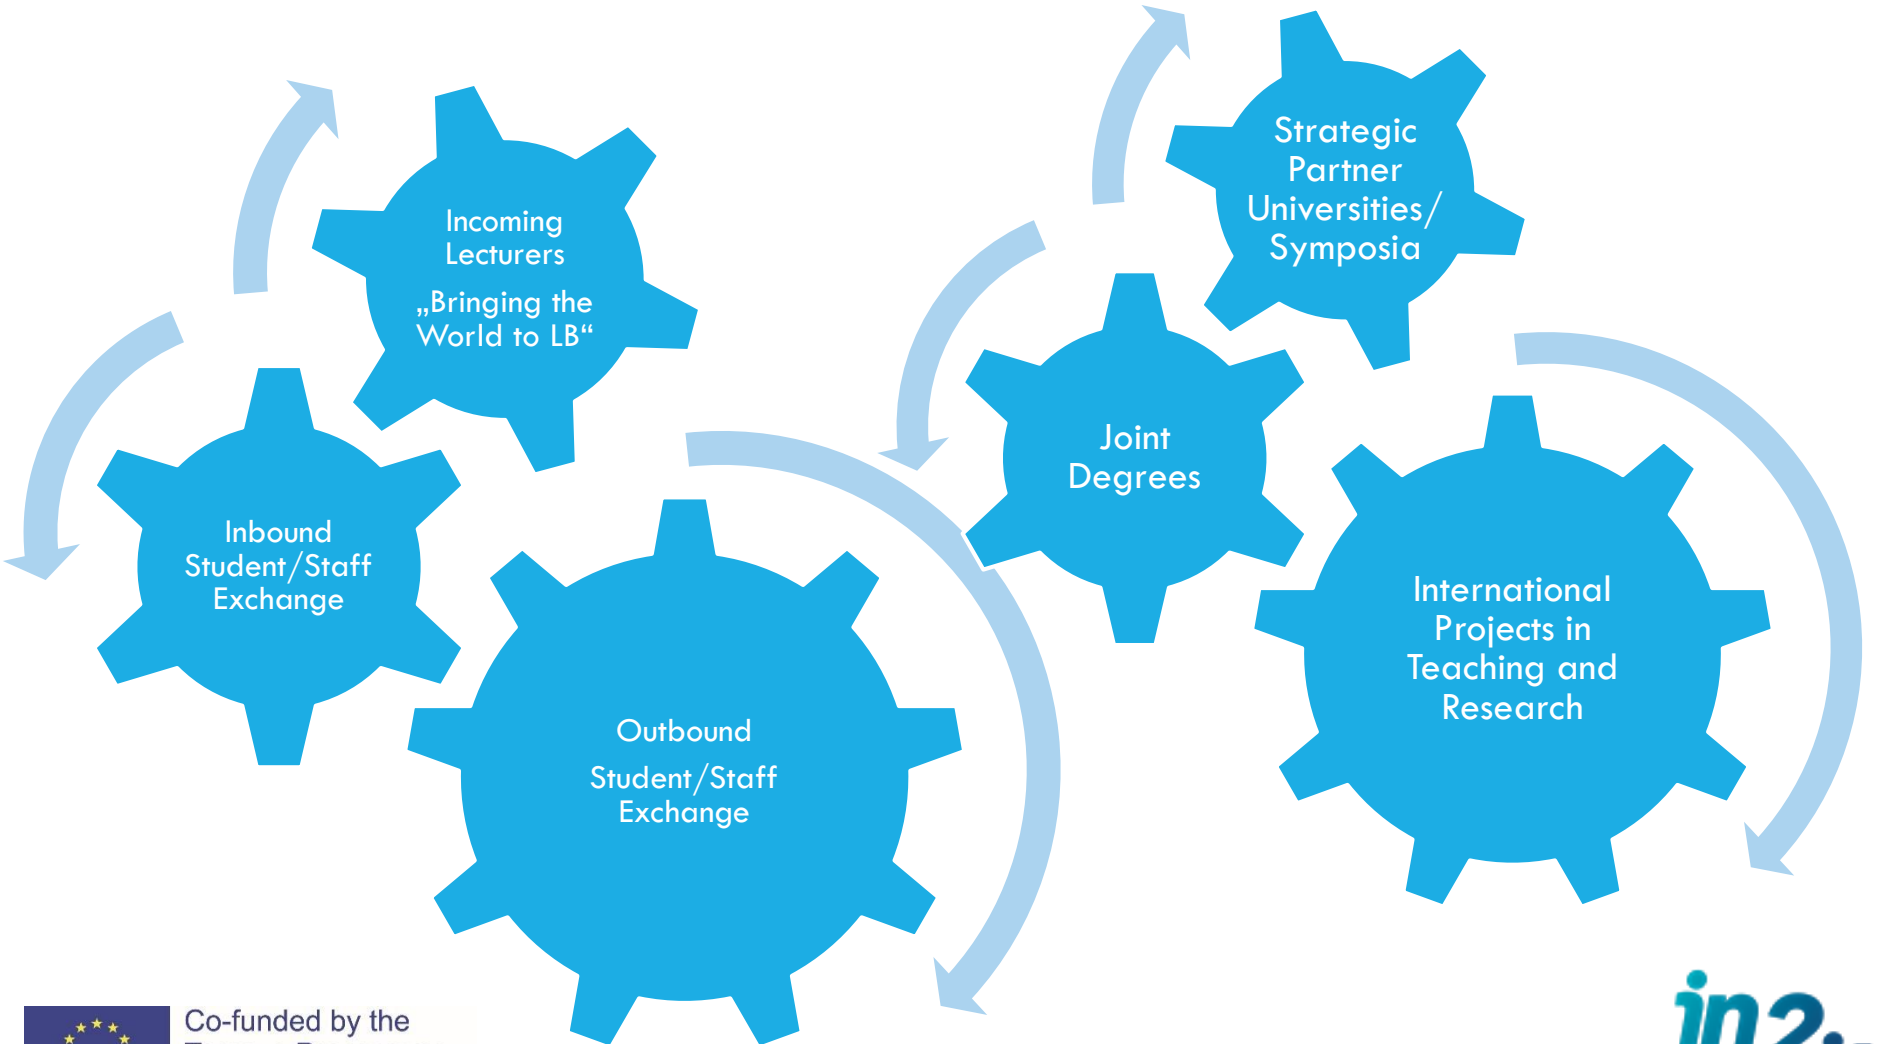

Graduation

- Teacher exam
- Bachelor of Arts
- Master of Arts
- Master of Science
- Doctor's degree: PhDs
- Post-doctorate: „Habilitation“ (an old German degree as a condition to become a professor; you have to do a research project and to write a „second book“; at present diminishing, because it is no international concept)
