# Unit 3 Overview

Keeping up with an academic lecture or presentation delivered in English is an important skill. In this unit you will learn how to prepare yourself for a short lecture in English, listen to it and finally test your knowledge about it.

**Important!** Learning through listening is different from reading or communicating. It requires a different kind of concentration. In order to maximize your productivity from this unit, it is recommended that you work in a quiet environment and allocate about an hour to complete it in 'one shot' .
