Pre-Course Survey

Welcome to the Diversity Course**.** In order to make sure we're on the right track in our developments, we need to understand a bit about you. We would like you to complete the following survey before you begin. Your response will be confidential and used to improve this course.

After the Course is finished, there will be another questionnaire to complete. Thank you!

Please provide us with some initial information about yourself

Institution where you study	
Level of study (postgraduate or undergraduate)	
Subject that you study	
Your age	
Your gender	
Your ethnicity	

Indicate how much you agree with these statements.	How much do you agree? 1= not at all 5= very much				
	1	**2**	**3**	**4**	**5**
I can describe **Diversity** within my own environment.					
I can say that I have prejudiced attitudes					
I see how **Diversity** is important and relevant to my studies or practice.					
I understand the learning outcomes for this course.					
I feel confident in discussing **Diversity** with my friends.					
I feel confident in discussing Diversity with international students using a forum.					
I feel confident in using Moodle platform					
I feel confident communicating with the tutor					
I feel motivated to learn about **Diversity**					
I can see where to go for support in using this Course					

IN2IT project – Diversity Course
Survey of students –before and after participating in the COURSE

End of Module Survey

We would like to know how you feel about the Module you've just completed. Your response will be anonymous and we won't be able to identify you.

Institution where you study	
Level of study	
Subject that you study	
Your age	
Your gender	
Your ethnicity	

Indicate how much you agree with these statements.	How much do you agree? 1= not at all 5= very much				
	1	2	3	4	5
My expectations were met in general by this **Module**					
I found the video in this **Module** useful					
I found the reading material in this **Module** helpful					
I found the instructions on the activities easy to follow					
I found the activities helpful to my learning
