In2IT Essential Skills: Course Evaluation

Thank you very much for taking the time to participate in this survey. Your responses will help us understand your experience of taking part in the Essential Skills course. Your feedback will also help us make changes, if necessary, to the course to continually improve and enhance the effectiveness of this course for future students. It will take no more than 10 minutes to answer the questionnaire.

Worth mentioning also that your reply to this survey will help us understand your level of participation on this course to select the best-in-class students. Students selected will get the opportunity to participate in an international conference to be held in Milan, Italy in June 2018 (for UK students) or in London, UK in July 2018 (for students in Israel and Poland).

Your answers will be used for academic purposes only. If you have any questions about the survey or the wider research project, please contact one of the course instructors within your institution.
