## **INTERNATIONAL TEAM BUILDING - TEAMWORK**

Content development responsibility (in high level, based on expertise, experience, etc.):
Philippe (UM) to be in charge of technology
Other members will take charge at various points for specific goals
Technological Platform for teamwork:
Emails, Google docs, Moodle
Preferred technological platform for teaching and learning:
Depends on kind of course
Probably Moodle, with the addition Skype for video conferencing
Big Blue Button
Private channel on YouTube
"Intact"

**Thank You!**
