INTRODUCTION TO WP2

International Team Building

Dr. Dvora Toledano-Kitai, Ms. Sharon Tidhar, Dr. Vered Holzmann
WP2 Leader

Co-funded by the
Tempus Programme
of the European Union

Goals

- (1) to establish effective international teams of Israeli colleges and EU Universities.
- (2) to prepare work plans for international teams for implementation of internationalization by innovative technologies.

Outcomes

- At least three different international teams will be established: one for education training (one for engineering, design and technology, and one for social sciences, humanities and management).
- In each international team will be at least one Israeli college and one EU university.
- Homogeneous teams (ex. Design schools) and/or heterogeneous teams (ex. Education & Engineering).

Tasks (T2.1)

Two workshops:

1st workshop 17-19/5/2016, Tel Hai College, Israel.
(Budgeted, 3 participants from each HEI).

2nd workshop 11-13/7/2016: PHL/LUE, Germany.
(Budgeted, 3 participants from each HEI + 2 participants from each HEI for the 2nd Consortium Meeting)

to enable participants to be familiarized with Israeli and EU culture and HE environment while creating harmonized teams of heterogeneous members.

Tasks (T2.2)

The Israeli partners will perform study visits for training purposes in the EU universities to enable the participants to gain better understanding of potential cooperation activities and to focus on relevant mutual interest academic fields.

2 participants from each Israeli College will visit an EU University for **3 days**.

Will be performed between June– September 2016, based on mutual topic of interest.

2 (T2.2)	3	1-30/6/2016	PoliMi (Italy)	QSM
			UCSC (Italy)	KC, MTA
			PHL/LUE (Germany)	BBC
			UM (France)	SAP
			KU (UK)	SHENKAR, THC
			WUT (Poland)	OBC

Original Plan

Tasks (T2.2)

tentative agenda for study visits:

- **Introduction to the university**
(Faculties, departments, fields of studies, etc.)
- **Introduction to the IRO at the University**
(Structure, roles and responsibilities, measurement of internationalization, review of EU projects)
- **Introduction to the education technology (distance learning) unit**
(Structure, roles and responsibilities, technological platforms)
- **Meetings with academic staff colleagues** who wish to collaborate on developing virtual courses (academic and with the industry) and participating in Communities of Practice.

Tasks (T2.3)

Development of outline work plans for international teams, which are aligned with the colleges' internationalization strategies and with the fields of interest.

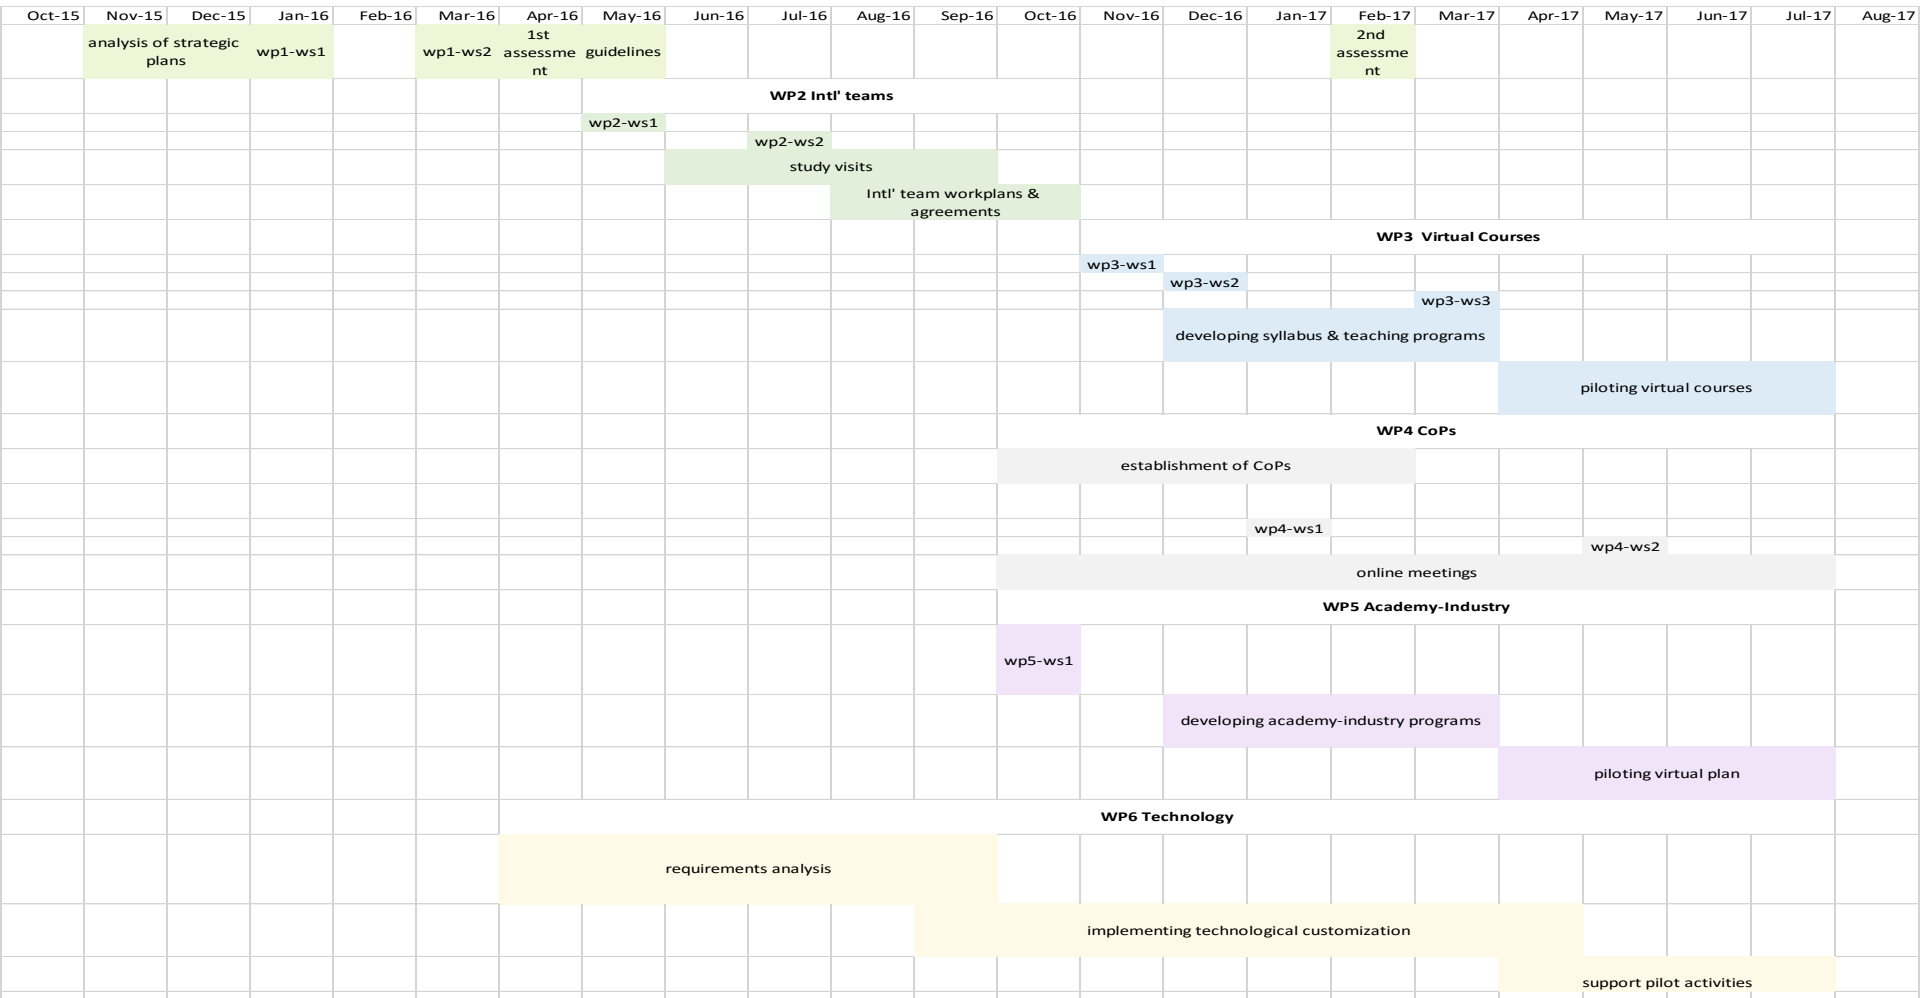

Deliverables

- ✓ The partners in each international team will sign on **cooperation agreements**
- ✓ The partners in each international team will prepare **outlines for work plan** to develop joint academic programs (WP3), research and knowledge-sharing collaboration (WP4), and academy-industry/community cooperation activities (WP5)

Timeline

Starts 15 April 2016 - Ends 15 October 2016
