

IN2IT

INTERNATIONALIZATION BY INNOVATIVE TECHNOLOGY

WP2 – INTERNATIONAL TEAM BUILDING

WS1: TEL HAI COLLEGE,

17-19 MAY 2016

Process & Deliverables of WP2

International Team Building

**Dr. Dvora Toledano-Kitai, Ms. Sharon Tidhar,
Dr. Vered Holzmann**
WP2 Leader

Step 1: 17-19/5/2016

Workshop at Tel Hai College

- ✓ Explore topics for collaboration
- ✓ Create international teams
- ✓ Discuss courses content and structure
 - Team leader and members
 - Name of course
 - Course learning objectives
 - Teaching method(s)

Step 2: May - July 2016

Online collaboration to develop courses

- ✓ Examine teaching methods
- ✓ Examine technological platform
- ✓ Develop draft syllabus

Online collaboration to develop communities of practice

- ✓ Examine technological platform
- ✓ Develop professional forums

Step 3: 11-13/7/2016

Development of virtual courses and communities of practice

- ✓ Decide on teaching method(s)
- ✓ Assign responsibilities for content development
- ✓ Select technological platform

- ✓ Decide on research topics
- ✓ Initiate joint studies

Step 4: June – September 2016

Study visits in EU Universities for training purposes in the EU universities to enable the participants to gain better understanding of potential cooperation activities and to focus on relevant mutual interest academic fields

- ✓ Partnership agreements
- ✓ Work plans for development of:
 - ✓ virtual courses
 - ✓ academy-industry programmes
 - ✓ communities of practice

Next Steps: From September 2016

Implementation of

- WP3: International Virtual Curriculum
- WP4: International CoP for knowledge-sharing
- WP5: Academy-industry/community cooperation
- WP6: Innovative technological platform

to be prepared for pilot activities on March 2017.

*The secret to getting
ahead is getting started.*
