

Department of Industrial Engineering & Management
M.Sc. Program in Industrial Engineering & Management

Seminar Schedule – Spring 2020

The [Department of Industrial Engineering and Management](https://w3.braude.ac.il/department/ind/seminars/) at [ORT Braude College](https://w3.braude.ac.il/) (OBC) organizes weekly seminars (<https://w3.braude.ac.il/department/ind/seminars/>), during which distinguished researchers and visitors present their research and topics of interest.

The seminar attendees include faculty of the Department of Industrial Engineering and Management at OBC, students in the [M.Sc. Program in Industrial Engineering and Management](https://w3.braude.ac.il/department/ind/seminars/), and other faculty from OBC's departments.

Notices about the below seminars, including abstracts and further details, are announced by an e-mail sent to a mailing list. **If you wish to be our seminar guest** or wish to be notified about a seminar announcement or to get further information about any listed seminar, please contact [Dr. Hussein Naseraldin](mailto:Dr.Hussein.Naseraldin@braude.ac.il).

Time of Seminar: 14:50-15:40. Light refreshments start at 14:30.

Location of Seminar: VIP room, EF Building (*unless announced otherwise*)
